

Since 1985

Solimar Fluidizers vs the Competition

Solimar Fluidizers equal superior performance

COMPETITOR SS

1 year of flyash service
6 loads per day
5 days a week

SOLIMAR

2 years of flyash service
6 loads per day
5 days a week

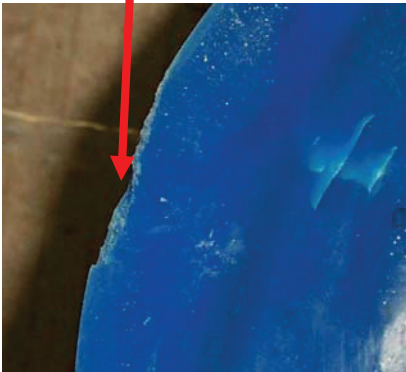

Since 1985

Solimar Fluidizers vs the Competition

COMPETITOR SS

1 year of flyash service / 6 loads per day / 5 days a week

WEAR
Inferior structural integrity of compound

CRACKS
Inferior geometric design

**BACKFLOW
MAJOR WEAR
IRREGULAR WEAR
CRACKS**

Want-to-be competitors have 'knocked off' Solimar Aerators, copying everything from the general concept and shape to the color of the disks, yet they have failed to duplicate the performance of Solimar Aeration.

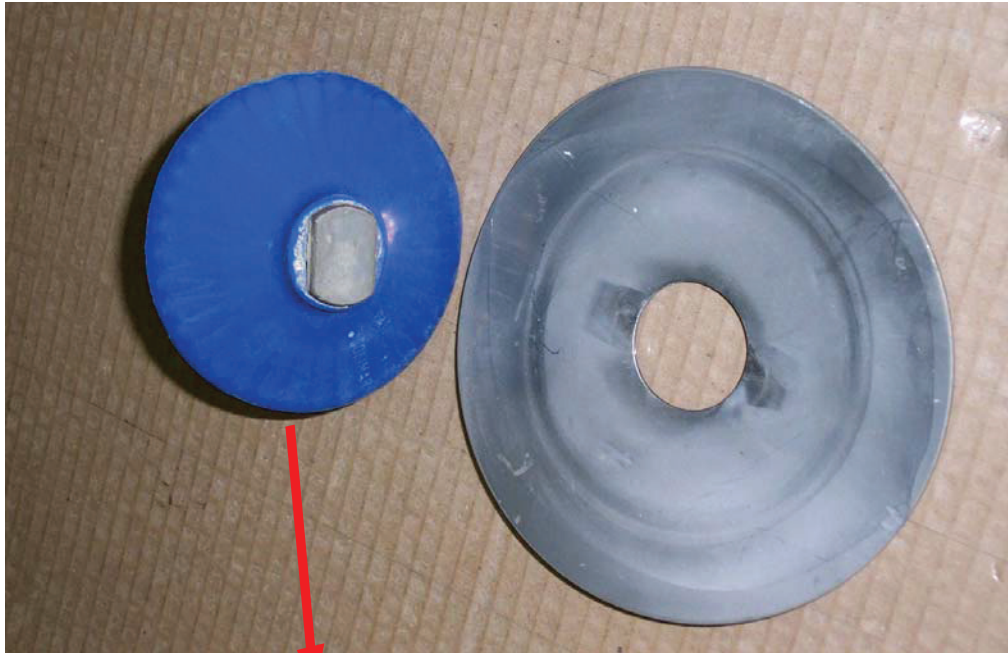

Since 1985

Solimar Fluidizers vs the Competition

SOLIMAR

2 years of flyash service / 6 loads per day / 5 days a week

**NO CRACKS
MINOR WEAR
EVEN WEAR
TWICE THE SERVICE**

The aerators shown in these pictures are typical of ones our customers show us every month. The Solimar Aerators show NO WEAR and NO BACKFLOW at TWICE THE SERVICE LIFE!
